

Bosteels DeuS Brut des Flandres Belgium

750ml \$22.95

Tasting Notes

Refreshing as an aperitif this is a magnificent symbiosis of brewing a beer and creating a sparkling wine. DeuS has great complexity with aromas of fresh apple, mint, thyme and ginger, all spice and cloves. The mousse is creamy yet light and vivacious, beautifully dry with a hint of tannin.

Brewed in Belgium, aged in Champagne.

Food Pairing

Very versatile and while oysters are always perfect, some dynamic ideas could be; lemon sole, moules frites, mussels & shrimp in vol au vent, marinated sea bass with chicory and lettuces.
