### Tasting Notes

A deceptively complex and incredibly youthful nose that features cut pear, fresh quince and lemon blossom. A savoury line is also evident with sesame brittle, cinnamon stick, rice wafer and hints of cornmeal. On the palate, woven layers of intense white fleshed fruits, diligent oak handling and effortless texture meet seamlessly and are driven by a mineral saline acid spine. Pears, grapefruit, and white nectarine are the key fruits of the palate, which is focused with remarkable length and possesses amazing longevity. Will cellar for another 10 years.
