Tasting Notes

“Closer in style to the La Rosine, with its elegant and finesse-driven style, l’Ame Soeur IGP oozes class with complex blackberry, raspberry, crushed rock, peppery spice and hints of flowers all emerging from the glass. Medium-bodied, impressively concentrated, with classic Northern Rhone purity and focus, it is a brilliant value that should drink nicely for a decade.”

This wine may be classified as Vin de Pays / IGP but the quality easily justifies it having its own appellation.
