

## KRIEK DES JACOBINS

330ml x 24 \$4.70,

### Tasting Notes

To obtain its true “kriek” or cherry flavor, natural cherry juices are also added. The fruitiness of the aroma clearly reveals itself in the mouth. Our Jacobins Kriek has a well-balanced, pleasant and slightly sweet flavor; an excellent thirst quencher.

### Food Pairing

Consider this beer with cheese; for example fondue.

Or simply sipping on a patio.

Alcohol 4.5%

Recommended serving temp. 5-8C
