Tasting Notes

A blend of Touriga Franca, Tinta Barroca, Tinta Roriz and Touriga Nacional, Feuerheerd's Red is a blend that expresses perfectly the Douro wines character; full-bodied, bold and lush. A crisp, savory style, with fresh-crushed dark plum, dried raspberry flavors & floral notes, supported by firm acidity & tannins. Dark chocolate and mineral notes combine on the lip-smacking and well-spiced finish.

From the famed Van Zeller Family, winemakers in the Douro for 14 consecutive generations.

Food Pairing – Aromatic meats; Thai-spiced Beef with coconut rice, Cuban style pork with beans, fennel spiced sausages, meat pie. Also a variety of hard cheeses.
