### Tasting Notes

Vibrant and concentrated fruit aroma of abundant blackcurrant, dark cherries and mulberry. Beneath the lifted aromatics of anise, cocoa, clove, black olive and earthy wild field mushroom provide elegant layers to a highly expressive and complex nose. Savoury spices of dried sage, cassia bark and tobacco gives subtle texture and combines with diligent oak integration and a fine acid line. All component arrive to a finish featuring slightly chalky cocoa-powder like tannins.

*This is the Mouton-Rothschild of Australia. Incredibly complex aromas of black currants, spice, cigar box and berry. Full body, fantastic palate with round and polished tannins. James Suckling 97*
