

Melville Syrah Verna Estate 2010

\$ 35.00 750ml 14%abv Santa Barbara County

Tasting Notes

Dark ruby, brimming with nuances of black plum, wild strawberry and dried fig that merge with intriguing floral aromas of wild flower and lavender in this gracious, impeccable Syrah. The intensely perfumed feminine finish has a sweet, almost-Pinot like register from the use of 40% whole clusters. The mouthfeel skillfully weaves this diversity together allowing the wine to remain both fresh, grippy and savoury, leaving floral and spice notes behind.

"I am continually blown away by what they are able to put in the bottle." Robert Parker

"Off-the-charts good....these are some of the greatest values in the world of wine today." The Wine Advocate
