

MOSS WOOD Chardonnay 2014

\$69.00/btl LCBO# 409557

Tasting Notes

The nose has the full complement of Moss Wood Chardonnay fruit aromas – limes, peaches, marmalade, roast almond and malt biscuit. The extended barrel age and malolactic fermentation has added in some toasty, spicy oak and interesting bread and caramel notes. The same theme continues on the palate, with full body and high acidity combining with peach, nut and cheese flavours, providing generosity and length. The finish has some toasty oak, with some tannin evident.

Pronounced and seductive, honeyed-peach and marzipan nose with a cinnamon toast and ginger undercurrent. Apple tart, as well as yeasty and toasty notes grace the silky palate, with has a long savoury finish. 93 pts Lisa Perrotti MW Robert Parker Wine Advocate
